RULES FOR THE OPEN TOURNAMENT & WOMEN'S TOURNAMENT

1. This tournament will be governed by the USBC rules, MTCUSBC bylaws, and as hereafter set forth.
2. Only members of the Massachusetts Tri-County USBC may participate in this tournament. Members of another association who are current members of the MTCUSBC may enter this tournament only if they have bowled 21 or more games in a MTCUSBC league.
3. No more than **two** individuals who are members of, or have applied for membership to, a bowling organization identified as "professional" as of date of participation in this tournament may compete on the same four-person team. Also no more than **one** bowler in the above category may compete on the same **doubles** team.
4. Multiple participation is allowed in the team event. Participants may enter this tournament with as many teams as they wish, however, not more than two (2) members in a four (4) person team bowling together may place more than once on the prize list for position standing.
5. Minor events are the doubles & singles events. Any bowler bowling doubles must bowl singles on their first participation in the minor events. Additional participation in the minor events must be scheduled prior to the closing date but the bowlers have the option do either or both of the minors after their first participation. Exceptions will be allowed for a physical hardship if the tournament office is notified in advance.
6. Multiple participation is allowed in minor events, but to cash a bowler must have a different partner whenever entered in the doubles event, and may place on the prize list only once with the same partner wherever qualified. The individual may be listed on the singles prize list only once. **A bowler's first participation score counts towards all events.**
7. SQUADS: Teams & Doubles/Singles squads are combined and will bowl together during the squad. There are two squads each day with fresh oil between squads. 10 minutes of practice. Bowling squad times are 9:30AM & 1:30PM.
8. Re-entries are allowed subject to lane availability at a cost of an additional \$5.00/per person/per event plus the cost of the event.
9. Prize fees returned 100 percent; 66 2/3% percent to handicap, 33 1/3% percent to scratch for each division. Prize ratio is 1 in 8 in aggregate for teams, doubles and singles. All events prize ratio is 1 in 15 in aggregate. Bowlers qualifying for both handicap and scratch prizes will be awarded the greater amount. If amounts are the same on both prize lists, bowlers will be placed on the handicap prize list.
10. DIVISIONS: OPEN: Scratch/Handicap divisions for two classes (200 & over & 199 and under) teams, doubles, singles and all events.
WOMEN'S: Scratch/Handicap divisions for two classes (155 & over & 154 and under) for teams, doubles, singles and all events
Divisions can include bowlers above and below the class separation to form teams and doubles. The sum of the averages divided by the number of bowlers per event (unrounded) will determine the division by event.
11. Awards/Plaques: OPEN: to the open handicap team with the highest team score w/hdcp across classes
WOMEN'S: to the women's team with the highest team score w/hdcp across classes
12. ENTERING AVERAGES: (Averages are assigned in order based on the criteria below. Averages are the highest regardless of hand used or multiple abilities, bowlers receive only one average for the tournament)
 - 1- Entrants will use the highest of their MTCUSBC winter and summer league averages, based on at least 21 games for the 21–22 season.
If none, then the highest USBC average of at least 21 games for the 21-22 season. NOTE: 10 pin-rule is in effect: If the current MTCUSBC league average based on 21 or more games as of January 1, 2023 is ten pins higher than the submitted average, then the current MTCUSBC average will be used.
 - 2- If there is no regular average based on 21 or more games for the 21-22 season, the highest current MTCUSBC average based on 21 games or more as of January 1, 2023 shall be used (and subject to the 10-pin rule).
 - 3- Bowlers without an average from above shall use the highest sports league average from the 21-22 season based on 21 or more games.
This average will be converted up to a regular average from a sport average (and subject to the 10-pin rule).
 - 4- All others bowl with a scratch 240.
 - 5- Tournament management reserves the right to rerate bowlers or assign averages when verifiable information is available.
13. **It shall be the bowler's responsibility** to verify the accuracy of his/her average whether originally submitted by the bowler, the team captain or others. Failure to use the proper average shall disqualify handicapped scores if the submitted average is lower than the actual average thereby resulting in more handicap. Prize winnings will be based on the submitted average if it is higher than the actual average.
Correction of average can be made up to the completion of the first game of the first series bowled in this tournament.
14. Each individual must check in at least 30 minutes prior to squad time and be prepared to show cards. Substitutions may be made at this time.
15. Handicap is based on 90 percent of 240 scratch with no maximum. (Three-game series method).
16. All participants must comply with USBC rule 319d and 319e
17. Any contestant under 18 years of age must furnish the tournament director with a signed parental consent form before competing. Failure to do so, disqualifies all scores the bowler rolled or helped to establish, as well as prize monies in connection with these scores.
18. Entry must indicate 1st and 2nd choice of dates and squad time for each event. Entries & fees close April 1, 2023.
19. **ALL PARTICIPANTS MUST WEAR A COLLARED / MOCK COLLARED BOWLING LOGOED SHIRT (NO T-SHIRTS). FULL LENGTH SLACKS, JEANS, SKIRTS OR NEAT DRESS SHORTS ARE PERMITTED (No sweats or athletic gear). HATS OR TORN JEANS WILL NOT BE ALLOWED. NO ELECTRONIC DEVICES ALLOWED ON THE LANES.**
